1. Karate/Tae kwon Do Agreement

A new partnership/working agreement has been agreed between the British Karate Federation and GB Taekwondo, which is supported by UK Sport."

The partnership between GB Taekwondo and the British Karate Federation presents an exciting opportunity for both parties to share expertise, learn from each other and ultimately support talented Karate athletes to achieve their performance potential.

Under this agreement BKF athletes will have access to the training facilities, medical and performance analysis expertise available at the STUK HQ located in Manchester.

2. Extension of Agreement

STUK/BKF have made an approach to UK Sport to extend the current agreement in place to encompass some additional athletes to the new working venture.
